

First Grade Homework & News

March 21 - March 25

Memory for Friday

Serve one another in love.

Galatians 5:13

Web Homework

Google Astronomy Picture of the Day - Check out the picture of the day; then look over lots of other pictures in the archives.

MATH HOMEWORK

Keep counting those coins. Try counting dimes, nickels, and pennies all together!!! Maybe you can even add a quarter with the other coins.

Resurrection Eggs

Start saving your egg cartons to use as we go through LENT! You'll be signing up on CCB to bring in different items to be used but each student needs to bring in their own egg carton. The cardboard type are easier to paint.
